6th ANNUAL JOINT CONFERENCE

INTERACT 75

Background

The introduction of the definite title INTERACT confirms the outstanding success achieved by this series of joint conferences and its choice is a recognition not only of the technical nature of the themes adopted but also of the degree of co-operation between the two Societies.

The name INTERACT will focus attention on the event that has become the primary forum for the computer fraternity in Ireland.

The Conference

The theme for INTERACT 75 is

CO-OPERATION IN COMPUTING

Venue
The Slieve Donard Hotel,
Newcastle, Co Down
Telephone: Newcastle 3291

Duration

Thursday 20 November, Dinner
to
Saturday 22 November, Lunch

and it is being held for
